**JOINT NOTICE OF *EX PARTE* COMMUNICATIONS OF  
  
SOUTHERN CALIFORNIA EDISON COMPANY (U 338-E) AND  
SAN DIEGO GAS & ELECTRIC COMPANY (U 902-E)**

In accordance with Rule 8.4 of the California Public Utilities Commission's Rules of Practice and Procedure, Southern California Edison Company ("SCE") and San Diego Gas & Electric Company ("SDG&E") hereby give notice of the following ex parte communications in the above proceeding.

On June 21, 2016, at or around 10:30 a.m., SCE representatives Laura Genao, Director, CPUC Regulatory Affairs, and Kathryn Enright, Project Manager, Transmission and Distribution Integration, and SDG&E representative William Blattner, Manager, Regulatory Relations, met with Ehren Seybart, advisor to Commissioner Carla Peterman, regarding issues in Rulemaking ("R.") 11-09-011. The meeting was initiated by the SCE and SDG&E representatives, lasted approximately 15 minutes and occurred in person at the California Public Utilities Commission, 505 Van Ness Avenue, San Francisco, CA. The communication was oral and there were no written communications used at the meeting.

At this meeting, SCE and SDG&E discussed their joint comments submitted on May 26, 2016 and stated they believe the Alternative Proposed Decision of Commissioner Sandoval ("APD")

represents a reasonable, prudent step towards improving the Rule 21 interconnection process. SCE and SDG&E also discussed their support for the APD's valuable enhancements to data collection and reporting that will incorporate experience gained during the pilot period.

Also on June 21, 2016, at or around 1:20 p.m., SCE representatives Laura Genao and Kathryn Enright, and SDG&E representative William Blattner, met with Matthew Tisdale, advisor to Commissioner Mike P. Florio, regarding issues in Rulemaking ("R.") 11-09-011. The meeting was initiated by the SCE and SDG&E representatives, occurred via conference call and lasted approximately 15 minutes. The communication was oral and there were no written communications used at the meeting.

At this meeting, SCE and SDG&E discussed their joint comments submitted on May 26, 2016 and stated they believe the APD represents a reasonable, prudent step towards improving the Rule 21 interconnection process. SCE and SDG&E also discussed their support for the APD's valuable enhancements to data collection and reporting that will incorporate experience gained during the pilot period.

Also on June 21, 2016, at or around 2:00 p.m., SCE representatives Laura Genao and Kathryn Enright, and SDG&E representative William Blattner, met with Rachel Peterson, advisor to Commissioner Liane M. Randolph, and Tyler Earl, legal intern to Commissioner Randolph, regarding issues in Rulemaking ("R.") 11-09-011. The meeting was initiated by the SCE and SDG&E representatives, lasted approximately 20 minutes and occurred in person at the California Public Utilities Commission, 505 Van Ness Avenue, San Francisco, CA. The communication was oral and there were no written communications used at the meeting.

At this meeting, SCE and SDG&E discussed their joint comments submitted on May 26, 2016 and stated they believe the APD represents a reasonable, prudent step towards improving the Rule 21 interconnection process. SCE and SDG&E also discussed their support for the APD's valuable enhancements to data collection and reporting that will incorporate experience gained during the pilot period. SCE and SDG&E also restated their support for their request to be permitted 60 calendar days—rather than the APD's 30 calendar days—following Commission approval of a decision

adopting the cost envelope framework pilot to file their respective Tier 2 Advice Letters that will incorporate that pilot and supporting requirements into their respective Rule 21 Tariffs.

SCE is authorized to sign on behalf of the Joint Parties.

Respectfully submitted on behalf of the Joint Parties,

ANNA VALDBERG  
MATTHEW DWYER
